MADE TO ORDER & STOCKCATALOGUE

Made To Order

We considered the diversity and range of requirements of our customers. Based on this we have created a stock range of garments which we can adapt to meet our customers specific requirements.

The entire range is manufactured in Portugal and can be modified to meet your specification. Choose from our available stock fabrics and colours on page 17 to mix and match designs.

Alternately we can pantone dye garments to meet your exact colour needs.

If you choose a stock design the minimum order is 25 garments which includes free delivery.

If you order our stock designs but change the colours to your requirements then the minimum order is 100 garments per style

If we pantone dye garments then the minimum order is 250 garments. We can supply less than this but there would be a surcharge.
